Dear Kindergarten Parents,

We have been having fun with TWO new letter people, Mr. B with “beautiful buttons” and Mr. R with his “rainbow ribbons”. We have read such fun books as Belly Button Boy, The Mouse Who Ate Bananas and Hey Diddle Riddle, There’s A Dragon In My Wagon, There’s A Bug In My Mug and A Bear Ate My Pear. We have also read the book The Big Bears and created our own class book about bears.

We had a rip-roaring time with Mr. R this week! He arrived with his rainbow ribbons that he won from raising remarkable red roses. We have looked for upper case R’s and lower case r’s. We not only listened for the /r/ sound but we listened for rhyming words, too! We made an interactive class book about rhyming words that one of the students is sure to enjoy over and over at home. Please practice with your child on rhyming words – this can be a lot of fun!

Over---->

In math this week we have been working on comparing numbers 0-10, counting numbers to 10, problem solving using repeated reasoning and review for our Topic 4 assessment. Topic 4 assessment was given today.

Please make sure your child comes to school with appropriate clothes for going outside. If it is 32 degrees or above we will be going outside for recess. Coats, gloves, hats and scarves are a necessity in cold weather!! I am asking that you work with your child putting on and taking off his/her coat or jacket. Some students also need to work on zipping. PLEASE PRACTICE AT HOME!!

Dates Ahead:
