

August 2019

Dear Kindergarten Parents,

Homework is a very important part of learning about responsibility. Each Monday your child will be bringing home a group of worksheets with directions to do at home. Please **do not** have your child return the homework **before Friday** because he/she has an assignment each evening. Please keep the packet stapled together, so pages do not get lost. Make sure your child has the proper supplies to complete the worksheets such as a pencil, crayons and scissors. The homework is to be done by your child with directions from you. Please tell your child to make sure his/her name is on the set of worksheets and to do his/her best work, **BE NEAT**. It will be up to each student to take care of the completed homework once it is at school. They will need to put it in the proper place. The major purpose for this activity is responsibility! Please help us establish good homework habits, as well as, responsibility by completing this activity. Thanks so very much!
